### **APRIL 22nd, SPRINGTIME IN BARCELONA**

Purchase your tickets now and join us for an adult evening of mingling, fine food, and bidding "wars". Tickets on sale now until April 14th. You will be amazed at the wonderful art projects your students have been creating. Please see attached flyer for ticket information.

### **A LITTLE SHORT WITH YOUR VOLUNTEER HOURS????**

We have a great opportunity for volunteer hours! We will be assembling the Emergency Preparedness Comfort kits on Tuesday, April 4. We will begin at noon and go until we are finished (or until 3:00)! You do not need to bring anything except willing hands. Also, if you have a need for volunteer hours at home, please let me know. I have one project that can be completed at home and needs to be done before we can assemble the comfort kits - you will need a paper cutter. For additional information please contact Jennifer Hogge @ 775-9530

### **It's the Law- Layton City Police Intend to Enforce - Buckle Up Children and Adults Correctly!**

The Police Department has been making a conscious effort to increase enforcement in the school zones. However, another equally important safety issue aside from speeders has been noticed when children are dropped off and picked up after school.

Under State Law (UCA 41-6a-1803), any child in a vehicle under the age **16** is required to be restrained in a properly adjusted seat belt. Children under age **5** are required to be in a child safety seat used in a manner prescribed by the manufacturer of the seat.

Seat belts in vehicles were designed to fit average sized adults, not children. The shoulder belt is supposed to cross the shoulder, not cut across the neck, and the lap belt should cross the hips, not abdomen. If your child is small and the belts cross the neck and abdomen, your child needs a booster seat. Also, once your vehicle leaves school property and is on City or State roads, your children must be secured. It is the responsibility of the **driver** to ensure that children under 16 are properly restrained during transport.

Not wearing a seat belt is an obvious violation, however, the improper use of a seat belt is also a violation of the seat belt law. It is common to see children in the front seat of vehicles, sitting behind the airbag, with the seat belt fastened and the shoulder

Policy, Policy on Distribution of Policies, Gold Medal Policies, Budget Adjustment and Charter School Agreements. Time will also be allowed for other business and public comment. Exact agenda is posted on the Website and on the Front entrance of the school.

strap behind the back. In cases like this of **improper use**, the devices meant to lessen the chance of major injury can actually cause greater injury in children. Please, take the extra time to ensure your children are properly restrained.

It is my sincere desire to educate parents about this issue and I would be happy to answer any questions you may have. I can be reached by Email at [Jhinojosa@Laytoncity.org](mailto:Jhinojosa@Laytoncity.org) or by phone at 336-3453.

Thank you.
