ADMINISTRATION GIVES THANKS!

At the conclusion of Faculty and Staff Appreciation week, we would like to again thank our dedicated and caring staff for all the care and concern they give to our school. A special thanks to POET for providing a wonderful thank you to us this week. We love our parent support - Thanks for remembering us!

We ended up with a few extras, so if you did not purchase one, they will be available on a first come first serve basis until they are gone. We have included our most current record of all who have paid and will be receiving a yearbook. If you purchase a book, please check the list to insure your name is there. If you paid and you don't see your name on this list please call Katrina Egan (593-8823) or Robin Johnson (544-1511). Thank you.

NDPA SEEKING CAMERA DONATIONS:

Looking for an appreciative recipient for an older, but still usable, digital camera? The one you'd like to update but would still like someone to find a good use for? NDPA is hopeful to acquire cameras for students to use with educational projects in the coming years, digital still or digital movie cameras are best. Bring items to the office, be sure to attach the name of the individual giving the camera, we will be happy to give you a letter for tax donation records. Be sure to check with extended family and friends. This will greatly help our technology program.
