VIVA EL ESPANOL! SPANISH CLUB

The Spanish Resource Center at BYU has announced the Sixth Annual Spanish Literary Contest "Cuentistas". This contest, honoring the *Día del Libro*, April 23rd, is made possible by the Utah / Spain educational partnership. This year's topic will be **free** and the only requirement is that students are encouraged to further their writing skills and their knowledge of Spanish language by writing in Spanish a short story (fiction or non-fiction). A panel of Spanish professors and teachers will evaluate the writings.

Prizes will be awarded in the month of April for each of the sections. The students and their teachers will be notified of the exact date.

There will be three winners in each category and each of the winners will get a Spanish Learning Package and possibly a published booklet with the winner's stories. The winners will be announced in March.

The following students were selected to represent NPDA in the two categories to participate in the contest.

Native Spanish speaking students: (350-450 words) Samantha F., Daniel F., Luciano S., Kimberly D., Inela V., Andrea M., and Jose Z. ECO GEEKS

**YOU TOO
CAN HELP
US SAVE
OUR EARTH!**

The Eco-Geeks have kicked it into gear and have decided on their mission. They have pledged to rid our school of disposable plastic water bottles. Why you ask? There are a number of reasons. Some of them are water bottles Contributions to landfills, sheer volume of bottles used by an individual household, harmful toxins in the plastic, you name it! So, our campaign this year will be to collect as many disposable plastic water bottles as we can, and have people purchase an NDPA water bottle that is BPA free and reusable. Be watching Friday notes and morning announcements for more details! Have a great weekend and remember, Reduce, Reuse and Recycle! Any questions or comment contact Mrs. Adams @ radams@northdavisprep.org.
