

North Davis Preparatory Academy- K-4 Building

- This is the traffic flow for our drop off and pick up of students in the K-4 building.
- Please use caution and patience as students arrive and leave our campus!
- Please only drop off students along the curb area next to the school. Do not let students walk through the parking lot.
- Parking in the Cold Creek Recreation parking lot is only available on the north half of the facility if ours is full. Please to allow homeowners to access their pool and play area and be graciously considerate as we move in and around their neighborhood.
