WORK SESSION MINUTES

1:06 PM – Call to Order by Kristin Elinkowski

Visit with Academica West Staff – The North Davis Preparatory Academy Board of Directors visited Academica West, our management company, to better understand the services that they provide us. After a short presentation by Jed and his management staff, the board broke off into small groups to tour Academica West's facilities. They met with individual employees who work directly with NDPA and each person explained their job duties. At the end of the tour, the group gathered together again to answer questions that the board had.
