

# North Davis Preparatory Academy Bullying Policy

## POLICY

NDPA will foster a safe and trusting community that enhances learning, is safe from physical and emotional harm, and nurtures the development of personal and social responsibility.

The NDPA Board of Directors directs the administration to develop administrative policy and procedures which meet the following criteria:

- Meet all statutory and regulatory requirements of the State of Utah and USOE
- Are consistent with the NDPA Core Values and End Statements
- Promote effective conflict management skills and build trust
- Provide training to students and staff members to ensure a safe school environment
- Provide supervision to monitor interpersonal interactions and correct those which are inconsistent with this policy

NDPA school administrators will report to the Board of Directors:

- Data showing the progress of improvement of personal and social responsibility including the number and description of serious infractions annually.
- Data collected from student/parent surveys assessing the effectiveness of the policy and procedures every three years.
