

# North Davis Preparatory Academy

## Student Neighborhood Access Program

**Grades K-4**  
1765 W. Hill Field Road  
Layton, UT 84041

**Grades 5-9**  
1591 W. Hill Field Road  
Layton, UT 84041

North Davis Preparatory Academy grades K-4 are located at 1765 W. Hill Field Road. Grades 5-9 are located at 1591 W. Hill Field Road in Layton, UT. Most students arrive and depart in carpools or guardian vehicles. Parents and students should follow the schools designated Drop Off and Pick Off Procedures to ensure students safety and the efficiency of traffic flow through the area.

Students of this school who decide to walk or bike to and from school should follow the safest route possible using sidewalks, crosswalks, and pedestrian trails where available. Students must obey all traffic lights, laws, signs and signals. A map with suggested routes is attached to this description.

There are several neighborhoods south of NDPA that are easily accessible for students to walk or bike to and from school. Directly south are Cold Creek Drive and Swift Creek Drive with sidewalks and residential traffic speeds. Students may walk north through the neighborhood using caution crossing streets and watching for traffic at yield signs.

Students in the neighborhoods southwest of the school should follow Gentile Street east until they reach Swift Creek Drive and walk north. Students walking along the south side of Gentile Street should cross to the north side of the road at the intersection of 2200 W and Gentile.

Students in the neighborhoods southeast of the school should follow Gentile Street west until they reach Cold Creek Drive and walk north. Students walking along the south side of Gentile Street should cross to the north side of the road at the intersection of Angel Street and Gentile. Students in the neighborhoods adjacent to Angel Street should walk west to Angel Street and then north to the north side of Gentile.

Hill Field Road east of NDPA is an industrial and business route. Students do not traditionally walk or bike from this area and are not encouraged to since it can become a high-traffic area.

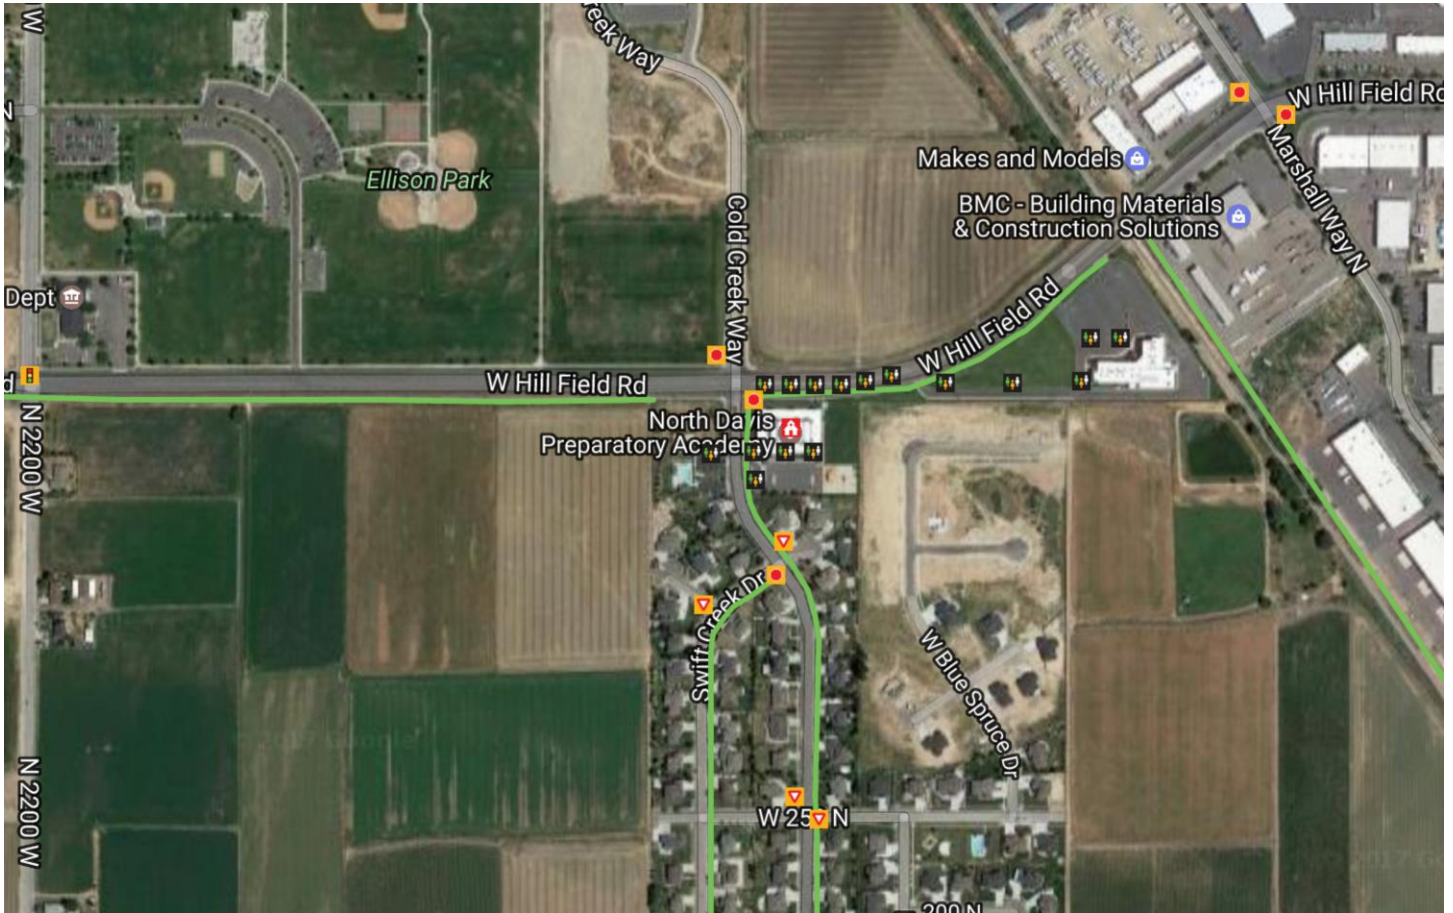

The sidewalk does not extend west of NDPA on Hill Field Road and there is not a crosswalk to safely travel to the north side of Hill Field Road. Students choosing to walk west on Hill Field Road should use extreme caution, as this is not a recommended route.

All other housing is located outside the recommended safe access route, separated by high-volume and high-speed roadways, and not recommended for pedestrian or bicycle transportation.

An alternate motor vehicle parking area for grades K-4 has also been approved. It is located by the community swimming pool west of the school across Cold Creek Way. This parking area and the sidewalks west of the school campus are currently not served by crosswalk access. Pedestrians and bicyclists should cross carefully and legally to enter school grounds.

These routes are for the immediate area around North Davis Preparatory Academy and are not exhaustive. Parents are encouraged to walk these routes with their children to determine the safest routes. Please contact the school for additional information regarding safe traveling routes.
