Detailed Information:

Study Abroad Focus is placed on the acquisition of the Spanish language. Although the cultural and global experiences are life changing, our goal is to immerse students in the Spanish language. Therefore students are encouraged to communicate in Spanish as much as possible during the trip. Many small group opportunities, such as shopping, have been carefully orchestrated to give students the independent opportunity to communicate with native speakers.

Centro de Lenguas e Intercambio Cultural:

Students will attend Centro de Lenguas e Intercambio Cultural (CLIC) a private language school in Seville. Classes are held daily, during our full week, from 8:30 a.m. - 1:00 p.m. CLIC prides themselves in being an immersion school very similar to our Dual Language Immersion module used here at NDPA. The classes are experience based with daily field trip experiences where students can use their newly acquired language skills in the market, plaza, and afternoon activities. There will be some required work outside of class each day. Classes are limited to our NDPA students and will be designed to meet individual levels of Spanish.

Chaperones: Students are accompanied by NDPA teachers and administrator(s), CLIC teacher/tour guides, and/or their Spanish host family.

Hotels are selected based on previous experience, recommendation, location, and 3 star or better rating. We frequent the hotels that are in safe locations, clean and comfortable, and provide excellent service.

Host Family: Students are housed with families employed by CLIC, who an above average rating and who meet the standards of both CLIC and NDPA; when possible students will stay with families used on previous NDPA trips. Students will house with at least one other student from NDPA, sleep in separate beds in a private bedroom, and have the opportunity to converse and participate as a member of the family during their stay. The host family will provide three nutritious meals per day and laundry services during the week.

Personal and Social Responsibility: is expected at all times. Students represent not only their family, but NDPA, but Utah and The United States of America. Students will follow the guidelines and standards of NDPA while in care of trip chaperones. Rules relative to pupil safety and behavior will be adhered to without exception. Students who disregard these rules or place themselves or others in danger will be flown home immediately at the student guardian's expense.

Curfew is strictly enforced throughout the trip for students' safety. Students will meet their chaperones each night and be accompanied home in groups. This way we are certain everyone is well and any problems of the day are solved so everyone gets a good night's sleep!

Spanish Honor's Credit ½ of an elective credit can be earned for the Study Abroad experience.

Medical Insurance is provided for your student's entire duration of the trip.

Passports are required for travel outside of the United States. Students should apply for a passport as soon as possible. The U.S. Post Office can issue passports: 800-ASK-USPS® (800-275-8777)

Scholarships are awarded through a selection process based on academics, personal and social responsibility, student and parent volunteer hours, and in some cases financial need. Students interested in applying for one of these scholarships can do so by filling out the Spain Study Abroad Scholarship Application and attaching a one page essay addressing the academic prompt.

Scholarship applicants will be reviewed and awarded by a committee designated by the Board of Directors and POET. When applicable, private scholarships may also be awarded.

NDPA Fundraiser: NDPA will support one fundraiser that is school sponsored and supported by POET. We encourage students to participate in the fundraiser 6th, 7th, & 8th grades (9th grade when needed).

Cost per Student is approximately \$3200. Price could vary as the number of students that attend change the overall price per pupil. The trip is all inclusive, meaning that your payment of approximately \$3200 covers everything from airfare to meals to CLIC admission and housing etc.

Payments are scheduled below; please do your best to meet or beat this schedule. The schedule is designed to ensure that school personnel can make the necessary airfare, accommodations, and language school deposits. Families have the option of making payments as early as 6th grade. Once the deposit is paid in full the student's placement will be secured. **\$500 Deposit is non-refundable**, as NDPA will secure reservations with airlines and hotels in the summer months when the costs are lower. Payments should be made to North Davis Preparatory Academy and marked Spain Study Abroad. Parents may wish to purchase their own travel insurance that covers reimbursement prior to the departure date in the event of illness or family emergency etc. A payment schedule has been provided for your use. We expect all students to be on schedule or ahead on payments. Student balances can be paid in full or part at any time. Students who receive scholarships from POET or NDPA will have the monetary amount deducted from the last scheduled payments. *NDPA coordinates all travel arrangements and reservations; no travel agents or third parties are used in order to keep the trip costs to a minimum.*

Payment Schedule for 2019 Trip

2018-2019

May	\$500	August	\$250	Nov	\$500
June	\$250	Sept	\$500	Dec	\$250

Aug 8	Parent Meeting 6:30 PM	March 6	Parent Meeting 6:30 PM
Oct. 16	Parent Meeting 6:30 PM	March 12-23	Tentative Trip Dates

Special Thanks to the NDPA Board of Directors for their generous support and backing of the Spain Study Abroad opportunity. Their goal, as outlined in 2010, is to help as many interested 9th grade students attend our study abroad experience as possible. We thank them for their vision and wisdom in making "Spanish" dreams come true.
