Looking forward to a Roaring Great Year! FEED your Body and FUEL your Mind. Every day we have a Fruit and Vegetable Bar with a wide variety of choices; salad, carrots, canned fruit and or fruit juice. Then, we add changes with fresh seasonal fruits and vegetables like watermelon, cantaloupe, honeydew, cucumbers, zucchini, tomatoes, onions, broccoli, cauliflower, a variety of different beans, radishes, celery, Utah apples, oranges, grapefruit, fresh and frozen strawberries, peas, and sprouts, grapes, plums, and pears, are just a few of the many options offered in seasons. Hummus, Seeds, and other "try me" days are added to help give students a chance to try something new like mango, kumquats and jicama.
